104th Westminster Czech Derby

The main event of the past weekend in Central and Eastern Europe was the **104th Czech Derby**, sponsored this year by Westminster. The race traditionally takes place at the **Velka Chuchle** racecourse in the capital of the **Czech Republic, Prague**.

The winner of the 104th Czech Derby is **NAUGHTY PETER (Tai Chi)**, trained in Poland by trainer **Maciej Jodlowski**, and owned by **Westminster Race Horses (POL)**. The bay colt was bred at the Napajedel stud farm in the Czech Republic. He was the only starter bred domestically. He won despite issues at the start, where he nearly lost his jockey due to rearing just before the start of the race.

Naughty Peter (CZ) /// Chuchle Arena

British jockey **Kingscote Richard** (who won the Epsom Derby with Desert Crown in his career) managed to stay in the saddle and expertly managed the horse's energy throughout the race. The race was led by **Queen's William (GER)**, followed by **Pirlo (GER)**, and behind them in a group were **Fine Anyway (FR)** and favorite **San Sebastian (FR)**. On the final straight, **GABON (IRE)** accelerated and took the lead about 200 meters before the finish line.

NAUGHTY PETER finished strong in the middle of the track and secured the victory in the final meters by neck.

This victory of a Czech-bred horse over favored imported horses gives hope that domestic breeding can compete with the increasing number of imported horses. This is the first Czech Derby win for horses trained in Poland in 40 years.

The winner is a progeny of stallion **Tai Chi**, who from this year has stallion duties in France at Haras des Beaux stud farm for a fee of 2,500 euros. Dam **Nebiola (GER)**, **Acatanengo (GER)**, comes from a long-distance German family. She is currently at the **Babolna stud** farm in Hungary, where she foaled a full sister to the Derby winner this year. She also has a yearling filly by **Footstepsinthesand**.

Interestingly, the best progeny of Tai Chi and his only **G1** winner, **Nancho (GER)**, is also trained in this region - in **Hungary** by trainer **Maronka Gabor**.

The betting company recorded a 25% increase in bets compared to last year. The race betting operator in the Czech Republic announced that the total bets on race day amounted to around 200,000 euros.

Worth Choice (IRE) /// Chuchle Arena

In the sprint race over 1,200 meters, the best was **WORTH CHOICE (Worthadd)** from the **Vasury Kolesa** stable with **David Liska** in the saddle. This was his third victory in this race. After winning in Bratislava at the **Turf Gala** sprint race three weeks ago, trainer **Myskova Stepanka** saddled the 8yo gelding who confirmed excellent form and set a new race record with a time of **1:09,79**.

65. Zlatny Pohar

The traditional race on Derby day over a distance of 2,400 meters, which gathers the best older horses over this distance. From this year, the race will be named the **Memorial of Filip Minarik**, a brilliant Czech jockey who had great success in Germany for many years (champion

jockey 4 times). Filip Minarik tragically died last year. The best in the race was **REX OF THUNDER**, ridden by his trainer **Michal Demo**. This was his third consecutive win in this race for the 6yo colt, who is unbeaten in three starts this year.

21. Tattersalls Mile

Another race record was set over a distance of 1,600 meters in the race sponsored by horse sales company **Tattersalls**. The best in the race was the 16/1 outsider **CHARPENTIER (FR)** by Cracksman, trained by veteran **Drlik Jaroslav**. Jockey **Petr Foret** expertly rode the 4yo colt owned by **stable Joly**. The race time was 1:36,38.

Poland

Nine races were held at the “Sluzewiec” racetrack in the capital of Poland – Warsaw, on June 22. Besides two category 1 races, “Green Maestro” and “Nagroda Aschabada,” the first 2yo race of the season also attracted attention. The track was good, 3.6 cm.

First 2yo race of the season 1.000 m

Only four horses participated in the starting lineup, including three representatives of the “Milenijum stud” stable trained by Maciej Jodlowski. Contrary to pre-race expectations, the winner was not **Mavr (GB)**, ridden by **Szczepan Mazur**, who was the favorite in the betting. Two daughters of the promising sire **Blue Point - Akvarel (IRE)** and **Blue Marina (IRE)** – proved to be better than the favorite. **Akvarel (IRE)**, ridden by **Kamil Grzybowski** instead of the injured **Dastan Sabatbekov**, achieved an impressive victory. The filly accelerated effortlessly in the final stretch and did not allow the other competitors to get close, winning by 5.5 lengths ahead of **Blue Marina (IRE)**, an additional 4 lengths ahead of **Mavr (GB)**. The winner's time was 1:00,20.

Nagroda Aschabada 3yo 2.200 m

The race brought together seven participants at the start, of which only **Chain of Command (IRE)** was still registered for the Poland Derby (7.7.2024). A strong pace was dictated by **Furor Divinus (IRE)** and **Juvenil (POL)**, who was considered the favorite. However, they paid dearly for this tactic, as they weakened significantly at the beginning of the final stretch, falling far behind the other horses, just like the heavily galloping **Chain of Command (IRE)**. The remaining four horses engaged in a battle. It seemed that the initiative would be taken by the second-placed **Freedom Lily (IRE)**, but **Ristretto (FR)** accelerated much better.

Kamil Grzybowski on Ristretto (FR)

He easily overtook the filly. In the end, **Triamos (POL)** unexpectedly challenged him, but **Kamil Grzybowski on Ristretto (FR)** remained vigilant and did not let himself be surprised. Third was **Freedom Lily (IRE)**, ahead of **Universe Power (IRE)**.

Nagroda Green Maestro 3yo 1.400 m

Today's star was **Regina Force (FR)**, who convincingly took first place at the sprint distance, leading the race from start to finish.

Jockey **Stefano Mura** used an old and proven tactic, initially driving calmly, then accelerating strongly in the turn and easily maintaining first place.

Heaven Give Enough (IRE) could not keep up, and the favored **Top Profit (IRE)** could not gain momentum from the outside. **Belly Boy (IRE)** had a good finish and ultimately took second place. **Oasis King (IRE)** was fourth, narrowly beating Heaven Give Enough (IRE). The margins between the placed horses were not large ($1\frac{3}{4}$ - $\frac{1}{2}$ - $\frac{1}{2}$), but **Krzysztof Ziemianski** trained filly won easily, leaving a very good impression. The winner's time was 1:26,10.

LE DESTRIER Second in Listed Race in France

LE DESTRIER (IRE), a 5-year-old colt, secured an impressive second place at Lyon Parilly in France. This son of **Le Havre**, now trained by **Mrs. Karkosa Alicja** in France, performed excellently in his debut race, finishing just a quarter of a length behind the winner. Owned by **Mr. Slawomir Pegza**, he was ridden by **Ludovic Boisseau**, who is set to participate in the Poland Derby next week. Last year, **Le Destrier** was named Horse of the Year in Poland and won the first black-type race in the region's history, the Wielka Warszawska over 2,600m, with a total prize money of approximately 110.000€.

Trotting News

Austria

Krieau Racetrack, Vienna

23.06.2024.

It was a beautiful Sunday afternoon in the Austrian capital at the Krieau racetrack, highlighted by the 139th edition of the trotting derby.

This racing day was attended by nearly 3,000 people, with a record 120,000 betting tickets placed, marking a derby day record.

Additionally, this was the last racing day for **Christoph Fischer** as a trainer for the **Krenmayr** stable, as he is moving to Germany to work for **Manfred Schub**.

The first race was won by Fischer with **Super Crowning** (6-year-old gelding Orlando Vici-Super Mind) ahead of **Varadero Venus** and **Grafenegg**. This was **Super Crowning's** sixth win of the season.

The third race was won by Austrian maestro **Gerhard Mayr** with **Power Be Win** (3-year-old filly, Booster Winner-Power Metro), marking the 29-time Austrian champion driver's only victory on derby day.

After several handicap races, at 17:40, the highlight of the day, the **139th Austrian Derby** over 2600m autostart, the biggest race in Austria, was on the schedule. The race was led from the start by **Mona Lisa Venus (Light Kronos - Xea Venus)**, marked on the outside by **Power Hill**, followed by **Know Cucu**. **Financial Times** and **Dilara Venus** jumped into a gallop after 200m.

The first 500m of the race was at a pace of 1:12. **Mayr** attacked after 1500m, **Brandstatter** repelled the attack and made a difference of about 40m, winning his first derby in his life, and setting a new race record of 1:13.9. The winner's prize went to the owner of stable "Kottingbrun" and trainer **Sascha Fischer**. The winner's prize was 25,000 euros. **Mona Lisa Venus** currently has a total career earnings of 80,000 euros with only 15 starts. **Power Hill** finished second, and **Know Cucu** third. The order matched the favorites at the betting. Since the beginning of their careers up to the derby, there has been a huge rivalry between **Mona Lisa Venus** and **Power Hill**.

The **Prix Vincennes** free-for-all race for the fastest horses in Austria brought an incredible outcome where the first four horses were from the same stable, trained by **Christoph Fischer**. **Lozano Boko**, **Oscarello**, **Lawrence Boko**, and **Viper** finished in that order. The winner, **Lozano Boko** (6-year-old Django Riff and Muscle Magic), won with an average time of 1:14.0 over a distance of 2,100m. The second-placed horse in the race, **Oscarello**, was driven by guest from

Sweden, Jorgen Sjunnesson, who has over 2,000 wins in his career and is the breeder of Hail Mary, one of the best horses in Scandinavia this year.

In the amateur drivers' derby, which was also in the betting system on PMU, **Delta Venus** celebrated with Austria's best amateur driver **Thomas Royer** over 2600m, clocking 17.7. Delta Venus is a 7-year-old daughter of **Light Kronos**.

In the race for French trotters, **Heros de Brysa** driven by **Hubert Brandstatter** won over a distance of 2600m ahead of **Duc de Connee** driven by **Joze Sagaj**. **Duc De Connee** started the race with an additional 60m and recorded the best time in the race. His time of **15.5** over 2660m from the turn is the second-best time ever in Austria over a distance longer than 2600m from the turn.

As for statistics, there are no major changes among drivers and trainers. **Gerhard Mayr** leads in both categories. The owner leaderboard is topped by stable **Antonshof**, which is part of the **Mayr** team. Among amateur drivers, **Thomas Royer** leads in the overall standings, while in the women's competition, 16-year-old **Steffi Mayr**, the granddaughter of the Austrian

champion, leads in her first season as a driver.

The first part of the season at the Krieau racetrack is over. From June 30, the Baden racetrack will start with its traditional summer meeting, and on the first day, two qualifiers for the super trot cup are on the program!
