Hat-Trick of Trainer Andrzej Laskowski

On a hot Saturday afternoon at Sluzewiec, eight interesting races were held. Three of them were won by horses from Andrzej Laskowski's stable, which may not be a record-breaking event in itself, but the fact that he did not field any other horses in the other races raises the significance of this achievement. Moreover, the trainer from Sluzewiec is the breeder and owner of Neve, who caused quite a surprise in the seventh race. This largely contributed to a significant increase in the septima payout—to nearly 12.000 PLN (after accumulation). Meanwhile, in the most competitive race of the day, a convincing victory was claimed by Boitdanssonblanc, currently trained by Wojciech Olkowski.

Love Me de la Cere (FR) /// trafnews.pl

Andrzej Laskowski fielded three of his horses in the first race of the day. His three-year-old Arabians were not in a comfortable situation, as all of them were making their debut, while the hot favorite, **Legende Du Pouy**, had already had three very good starts. It's no surprise that Sanzhar Abaev decided to race "on class," leading strongly.

Following him were other experienced horses: **Cabaliros** and **Alzakira**, as well as **Love Me de la Cere**, the best-performing Arabian from Andrzej Laskowski's stable from the start.

On the straight, **Cabaliros** battled with the favorite, while **Love Me de la Cere** struggled to gain speed. Finally, Kamil Grzybowski "got him going," and the stallion, just as confidently as unexpectedly, defeated the battling pair. **Cabaliros** visibly gave up in the final stretch, losing even third place to **Alzakira**.

Boitdanssonblanc (FR) /// trafnews.pl

In a well-attended race for the second group of Thoroughbreds, there was a clash between promising three-year-olds and solid older horses. The latter were rated higher, but ultimately the representatives of the Derby generation proved superior. Leading **Dacinni** weakened halfway down the straight, and then **Belarda** & **Boitdanssonblanc** joined the fray. After a brief battle, the stallion ridden by **Stefano Mura** proved clearly better, winning for Borussia Cars for the third time this season, though for the first time under the training of Wojciech Olkowski, to whose care he was transferred after a weaker start in the Derby.

In the young horses' competition, the favorites won: the two-year-old Thoroughbred **Demoon** (Kamil Grzybowski), trained by Emil Zaharieva for Rashit Shaykhutdinov, whose horses race successfully in France, and also **Nona Primo** (Sanzhar Abaev), co-owned by trainer Pawel Talarek and the Kosicki family, who bred her.

Blue Marina Wins the Nick of Memory Award

As expected, the Category I race Nick of Memory was dominated by two mares trained by Maciej Jodlowski, but there was no battle between them. A confident victory was secured by **Blue Marina**, representing Millennium Stud, under **Szczepan Mazur**, despite carrying 2 kg more than her rival. The third place went to the promising Polish horse **Solidago**, the son of Va Bank.

In the end, 5 horses started in this race, including two debutantes, **Mirella** and **Pandora**, who were expected to take the last two places. Both quickly lost contact with the three more experienced rivals. **Szczepan Mazur** led **Blue Marina** quite calmly, while **Solidago** kept close to the mare. **Lady Juliane** followed behind this pair. On the straight, **Blue Marina** accelerated nicely and calmly pulled away from the competitors, while **Lady Juliane** overtook **Solidago**. There was no real contest.

Blue Marina (IRE) /// trafnews.pl

This was the second victory in three starts for **Maciej Jodlowski's** trainee (she finished second to **Akvarel** in her debut). The winner is owned by Millennium Stud.

In the second race of the day for two-year-olds, this time at Category II level, five horses also competed, but this race brought a big surprise. The heavy favorite **Geia Sou Moro** led strongly and halfway down the straight it seemed she would win by a margin. However, in the last 200 m, she completely ran out of steam and was first overtaken by the debutante **Smooth Sea** and then by **Gold of Treville**.

Smooth Sea (IRE) /// trafnews.pl

Smooth Sea is owned by trainer Salih Plavac. The mare got a bit lost after the start when the pace was very fast, and she entered the straight in last place. However, **Dastan Sabatbekov** then drove her forward beautifully, allowing her to pass all her rivals one by one.

This was the second Sunday victory for Salih Plavac's stable, as half an hour earlier, in the apprentice race, **Romantic Tale**, making her debut in Poland, triumphed. The mare didn't perform extraordinarily well in the UK, but she managed quite confidently in an average field. She was led to victory by Syimyk Urmatbek Uulu, the leader of the cycle. In the end, he had to defend against attacks from Oskar Nowak on **Lucky Juliana**.

Beauty Approach Dominates Competition

For her first victory since last year's Oaks triumph, the four-year-old chestnut mare **BEAUTY APPROACH** (New Approach) from the Nieslanik family once again traveled to Karlovy Vary on Sunday, where she completely dominated the competition in the day's main race, securing the second victory of the day for the Tusimice team.

Beauty Approach (IRE) /// Andrea Zavadilova

In the Category II Mediag PB a.s. Prize (3yo+, 2.400m), the classic winner entered as the second favorite behind the seasoned **Brilliant Star** (Sea the Stars). After the start, **Sabina Mokrosova** sent the chestnut mare to the lead and allowed her to dictate a very slow pace initially, with **Brilliant Star** galloping at the end of the field. The pace gradually increased, and Petr Foret moved **Brilliant Star** closer to the leading mare, entering the final turn in second position. In the turn, the favored pair separated from the rest of the field, making it clear that the victory would be contested between the two top contenders. **Brilliant Star** attempted to challenge, but **BEAUTY APPROACH** had strength to spare, easily pulling away from the favorite and galloping to the finish line with a nine-length lead.

Third-placed **Inovace** (Egerton) was another 11 lengths behind.

The Tusimice team celebrated success in the day's opening race, the EBF Stallions Prize (Category III, 1.600m), where the favorite role was confirmed by **SUMMER IN PINK** (Expert Eye), who had finished sixth in the Masis Prize (Category I). Purchased at the Irish Orby Sale for 3.000€, she was also ridden by **Sabina Mokrosova**, who completed her hat-trick in the penultimate race of the day, the Aquatherm Company Prize (Category III, 2.000m), on **LIKE MAGIC** (Al Wukair), trained by Zdenek Semenka and owned by Hana Vesela, who followed up on his July victory, also at the Karlovy Vary track.

Lucie Fialova Becomes a Jockey

A close second-place finish for **Coletka** (Ultra), losing by only a neck, deprived Mokrosova of the chance for a hat-trick, allowing another successful rider, **Lucie Fialova**, to still have fond memories of the day's meeting. Although she had to share the victory in the Category III handicap, the Tipsport Company Prize over 1.600 meters, where she rode the seven-year-old **EAT THE DUST** (Soldier Hollow) from Swiss Fans, with Tatana Masova riding the four-year-old **LAST CHANCE** (Zazou - Luznice, Kalanisi) bred by Michael Marsik and racing in the colors of Strojirny Litvinov, Fialova could claim the win entirely. That was her 49th career win, and she secured her 50th victory just an hour and a half later on **CAESARIUS** (Egerton - Cassie, Alexandros) in the Conseq Prize - Dante Alighieri Series Prize for Czech Breeders (Category IV, 2.400m), making her

eligible to bear the title "jockey" from the next day onward! One of the first to congratulate her was Mr. Josef Psurny, a longtime and successful breeder, who presented honorary awards on his 85th birthday.

Another woman in the saddle, **Martina Havelkova**, also had a successful day, securing her lead in the jockey championship by riding **LE ROZEL** (Shalaa) in the Tipsport Company Sprint Prize over 1.000 meters, for the Cajdasrot stable. She now has 15 victories, four more than Adam Florian, who moved into second place with a win in the final race of the day and the entire Karlovy Vary season.

Speedrise Lady S and Michel Rothengatter

Two years ago, the 35-year-old Dutchman celebrated with **Lumumba**, and three years ago as well, and now he has climbed back onto the winner's podium designated for the **Stuten Derby**.

Speedrise Lady S /// rennbahn-berlin.de

The race was not easy, but the Dutch are proving to be the absolute number one outside of France and Sweden in Europe at this moment. **Habibbi** and the youngest driver in the race, **Marciano Hauber**, came in second. They were complete outsiders but managed to achieve the impossible and create a great prelude to the continuation of the competition. **Speedrise Lady S** was bought at an auction as a yearling for 70.000€ and is a descendant of **Walner**, a champion bred in America.

Super Trot Cup 2024 Finale

The victory goes to **Call Me Gleipner** with **Peter Untersteiner**, adding 35.000€ and a win in the G2 race to his account.

He started excellently from the second row, and in the final stretch, he battled with **Lozano Boko** and **Christoph Fischer**, who finished second, while **Max Occagnes** was third. The winner trotted **12,9** over **2.500 meters**.

Monte Derby

Jonathan Carre and **Corps Et Ame** won with a time of **11,9** over **1.900 meters**. **Staccato HL** and **Marlene Matzky** were leading and caused serious problems for the French duo competing for Dutch trainer Henk Grift. In the end, **Kate Baldwin** with Belgian champion **Hannah Huygens** came in second. Only **Zauni** trotted faster under the saddle in Berlin with a time of **11,5**.

129th German Derby

Michel Rothengatter probably didn't even believe himself that he could win two derbies in two days, but in the 129th German Derby, he added his mare's name next to **Lobell Countess** and his mentor **Peter Stropper**, who were the only ones to celebrate in both derbies. He also won 110.000€ with the daughter of **Bird Parker** and gained the status of immortality, as it will be recorded that "Porszils 11 Lions" trotted this beauty at **11,4** over **1.900 meters**, finishing ahead of **Photobox** and **Robbin Bot**, as well as **Remember Me** and **Joakim Lovgren**. The top favorite, **Brothers In Arms**, with the golden helmet of **Michael Nimczyk**, had to settle for fourth place, despite being the absolute favorite.

Nortolanda /// rennbahn-berlin.de

In the B final, **Robbin Bot** celebrated with **Man Of Steel**, finishing ahead of **Cincinnati Beach S** with **Micha Brouwer**, **Tailor Hill** and **Robin Bakker**, as well as **Goldfinger** with **Marciano Hauber**.

Honey Bear and **Victor Gentz** won the traditional Record Mile race with a time of **11,1**. The Berlin boy led this race from start to finish, turning **Honey Bear** this season from a handicap horse into a terror for European trot. **Jacques Villeneuve** and **Michael Nimczyk** came in second, while **Keytothehill** finished third with **Michel Rothengatter**.

In the Monte race, for the seventh time this season, **Heavenly Dreamgirl** and **Marlene Matzky** won, giving serious headaches to champion **Ronja Walter**, who has only one more victory.

Feudale Degli Dei, with **Micha Brouwer**, won the Champions Race, a race in which only drivers who have won one of the two derbies can participate. The son of **Brilliantissime** finished ahead of **Torina** and **Lochran F. Boko**.
