San Sebastian Breaks Most Track Record

The fifth, and also penultimate, and most significant meeting of this season in Most offered 8 flat races, including two of the highest category. Sprinters competed in the peak of their Czech season, the 103rd St. Wenceslas Prize by Charvat Group, while middle-distance runners faced the two-kilometer 27th Grand Summer Prize of the Usti Region. Very warm weather and a firm track contributed to achieving very fast times, with even one track record being broken.

Caucasian (IRE) /// Andrea Zavadilova

In the absence of last year's winner **Ponntos** (Power), who opted for York over Most, the favorite role was assigned to Most specialist from The Sons of Sharpour stable, **CAUCASIAN** (Holy Roman Emperor), who started as the overwhelming favorite. The five-year-old stallion, who had lost only once in his previous 4 starts in Most, in last year's edition against Ponntos, took command under **Adam Florian** from the start, and the outcome was essentially decided. In the home straight, he continued his commanding ride and galloped through the finish line, unthreatened, with a lead of 3 1/4 lengths ahead of **Capitan** (Al Wukair), who followed

Caucasian throughout the race, while the ever-improving **Little Lord** (Zazou) secured third place.

The second high-category race, which preceded the main event in terms of time, was the 27th Grand Summer Prize of the Usti Region, with the favorite being the progressively improving **Discovery Day** (Dux Scholar). The Czech-born horse from the breeding of Vaclav Luka Sr. did not disappoint but was no match for the classic winner **SAN SEBASTIAN** (The Grey Gatsby - Santa Padrona, Muhtathir). The product of Loko Trans stable and the only representative of the classic generation in the seven-horse field, he stayed in fourth place behind the leading **Alzir** (Bated Breath), the pacemaker **Vazirpour** (Camelot), and **Discovery Day**. At the beginning of the home straight, he made his move, took the lead 300 meters before the finish, and won very easily. Second place **Discovery Day** was 3 1/2 lengths behind at the finish, with **Vignetta** (Pouvoir Absolu) finishing third by a neck, and **Napajev** (Kallisto) taking fourth place. The winning horse, trained by **Lubos Urbanek** and ridden by **Martin Laube**, set a new track record in Most with a time of **2:02,98**.

San Sebastian (FR) /// Andrea Zavadilova

In the supporting races, another double victory for the stable of Dr. Eva Nieslanikova and her trainer Miroslav Nieslanik, who moved to the top of the ongoing trainers' championship, was notable. First, in the handicap race, the Sudoma Company Prize (Category II, 1.400m), the favored **COMMING PULSE** (Dragon Pulse) with **Sabina Mokrosova** prevailed by a nose over the more burdened **Daddy's Girl** (Le Havre). In the following fourth-category handicap, the HC Verva Litvinov Prize (1.600m), the rising star **RIVER DAWN** (Harald The Dawn) with the highest weight claimed victory, with amateur rider Katerina Bilkova earning her first win.

Quibou and Black Angel Win the Most Important Saturday Races

On August 24 at Sluzewiec, a total of 10 races were held. The most important ones, at the B category level, designated for three-year-old and older Thoroughbreds, were won by the six-year-old Quibou (Pink Pearl Race) and the four-year-old Black Angel (Deer Leap Race). Sanzhar Abaev strengthened his lead in the jockey championship, while Adam Wyrzyk caught up with Maciej Jodlowski in the trainers' ranking.

Quibou (FR) leading /// trafnews.pl

The 1.800m race for the Pink Pearl Race did not have a clear favorite. Due to his consistent form and recent victory in the Demon Club (Category I), **God of War** had the largest group of supporters. However, as it turned out, the tough race played to the strengths of the two six-year-olds.

Domindar ensured a strong pace. The opening (300m) in 19 seconds, followed by another 500m in 29,2 seconds, set really challenging conditions on the elastic track (3,6). Several lengths behind him was **Catena**, carrying only 50 kg, while **Svarog** led the main group. However, both the mare and the three-year-old **Svarog** paid the price for their

offensive tactics and weakened on the straight. The leader fared better. Only 350m before the finish line were **Quibou**, **Cunning Fox**, and **God of War** able to pass him, with **Freak Out** following shortly after. But **Domindar** still put up a fight. In the end, **Quibou**, ridden by **Dastan Sabatbekov**, took the lead and held off a dynamic finish by **Freak Out**. **Cunning Fox** came in third, while **Domindar** edged out **God of War** for fourth place.

This marked **Quibou's** third victory at the category B level in his career. He has been trained by **Krzysztof Ziemianski** from the start, with only the owners changing. The current owners are the Glinowiecki family and the Niespodzianka stable.

Black Angel (IRE) /// trafnews.pl

An hour later, the second non-group race of the day was held for the Deer Leap Race. In this sprint race, the strong favorite was **Jenny Of Success**, who had finished second three times before. With the withdrawal of **Moonary**, the mare could successfully implement her usual tactic of leading from the start. The high starting number - 14 - did not make the task easier, but **Sanzhar Abaev** got off to a good start and quickly took the lead. As usual, **Jenny** set a fast pace (this time 28,7 seconds

on the turn) and tried to wear out her rivals. **Regina Force** stayed close to **Jenny**, while the entire field was closed by the calmly led **Black Angel** on the outside, along with veteran **Blizbor**, who was somewhat "slow off the mark" at the start.

Meanwhile, Abaev led the leader wide on the straight, searching for the optimal lane. Some horses gained ground along the rail - including **Regina Force** and **Espresso**, who appeared in the front group, as well as **Pretty Rocket**. However, the mares quickly weakened. **Jenny** maintained her lead, **Heaven Give Enough** was galloping well, but from the back of the pack, **Black Angel** was finishing lightly between the horses. Sent by Joanna Wyrzyk, she easily caught up with **Jenny Of Success**, passed her shortly after, and surprisingly effortlessly pulled away from the favorite. She ultimately won by a comfortable margin of 3,5 lengths.

Her rival finished second for the fourth time this season, while **Heaven Give Enough** confirmed his excellent form and fruitful collaboration with Oliwia Szarlat by taking third place (he had previously lost only to Black Angel at the group level). **Blizbor** made his way from the back of the pack to take fourth place, while **Alis Glorae** was fifth, just ahead of **Espresso** at the finish line. **Intuitive**, who was expected to do better, performed rather flatly - the gelding struggled on the turn and ultimately finished 7th.

The owners of the equally beautiful and talented Black Angel are ASP Contrast A. Chrzastek-Szyc and Vert A. Wyrzyk. For the trainer from Podbiel, this was one of three victories on Saturday meaning that he matched Maciej Jodlowski in terms of wins.

Mayr's show-time; Face Time Spada Makes History

It is highly likely that **Face Time Spada** is the best filly ever bred in Austria. The 3-year-old daughter of **Face Time Bourbon** and granddaughter of **Muscle Hill**, who clocked 1:12,3 in June, raced **1:15,4** over **2.100 meters** in the big three-year-old championship at the Baden racecourse on a warm Sunday afternoon in front of around 3.000 spectators, setting an absolute race record that was held for just one year by **Mona Lisa Venus**.

Face Time Spada /// Eddy Risavy

She left behind **Super Crown** with Sokol and **Inter KP** with Michael Schmidt. So far, **Spada** has raced seven times and won all seven races, triumphing in all the breeding (class) races.

The second three-year-old gem owned by Mayr is **Melody's Best Boy**, a 3-year-old son of **Conway Hall** and **Kiwi's Melody**. This small beauty clocked **1:17,3** and secured his third consecutive victory, having only placed second in his debut, and won every other race.

The 26th Sattel Derby, the Monte Derby, was won by **Marisa Bock** with **Viper**, last year's Horse of the Year in Germany. This beauty clocked **1:18,2** over **2.100 meters** from a turn. Behind him was **Red Light DC** with Romina Geineder.

The race up to 9.000€ was particularly interesting, with **Mondstern EM** winning with **Thomas Pribil** in a time of **1:16,2** over **1.600 meters**, ahead of **Power Winner** and **Stormy Wood**.

The fast race surprised everyone as **Escada**, with **Thomas Pribil**, won in a time of **1:14,8** over **1.600 meters**, ahead of another surprise, **Jasmine Dragon**.

The Baden Prize for Fillies was won by **Flair Venus** with driver **Johann Lichtenworther** in a time of **1:15,8** over **1.600 meters**, ahead of **Allegra Mo** and **Daria**.

Among professional drivers, **Gerhard Mayr** is the absolute leader, and the situation is the same among trainers. Among amateurs, **Thomas Royer** is followed by **Steffi Mayr**, who is also the leader among the ladies.

The next meeting is scheduled for September 1st.
